Travis ELLIOTT

Hi my name is Travis Elliott and I am an education student at the South West Campus. I have many years experience working in the community in many sporting and political groups, as well as doing work for the university. I believe that this makes me an ideal candidate for this position, as I can provide valuable experience and knowledge into the role in order to deliver the best results for the South West Campus. I am approachable and willing to listen to ideas that students may have for the Campus, so that we can deliver the services that the South West Campus deserves.

Garry HENDERSON

Hi, my name is Garry Henderson, a father of six and grandfather of 14 and thus, obviously a mature-age student. I am currently completing an Honours degree in Creative Industries and, hopefully, look forward to my PhD next year. My wife and I have spent 25 years in the great Southwest, raising our children in a wonderful environment that provided for two of them at least, tertiary education at ECU Bunbury. I believe ECU is a unique place of learning that needs to constantly evolve to cater to the needs of an ever changing demographics and I love being part of that.
