

CANDIDATE BIOGRAPHY

ELECTION OF 1 ENROLLED STUDENT OF THE ACADEMY ELECTED BY STUDENTS OF THE ACADEMY, PURSUANT TO STATUTE 15, SECTION 6(h).

SUIDGEEST, TRENT

Having held the position of Student Representative to the WAAPA Board for the past nine months I would very much enjoy being re-instated for a second term. The role has allowed me to develop a Report for the Board every eight weeks. I have taken the liberty to formulate a fairly comprehensive report of Student News and achievements, a summary of campus life and the happenings of WAAPA. Studying Lighting Design and Stage Management allows me to collaborate with a wide range of disciplines and I hope to think that I spread myself around. The view of the student cohort is of importance to me; and I am quite willing to make our presence slightly more recognised; when necessary. If you have anything for me to put into my next Report please e-mail me on tsuidgee@student.ecu.edu.au

The words in this biography are as supplied by the candidate.
