

CANDIDATE STATEMENTS PAGE 1/1

Lynelle WATTS

I have been a lecturer at ECU South West since 2006 and I am currently serving as the Program Coordinator of the Social Work Program. I admit to an abiding interest and passion for finding ways to drop the barriers to higher education for students in the regions and for meeting the challenges of being the only regional Faculty in Western Australia. This passion and interest is the result of my own positive experience as a student at ECU having studied social work at this very campus. I can state that without the existence of a higher education institution in the South West it's unlikely that I would ever have studied at all and so I have a commitment to the long-term future of ECU South West. I have served as the staff representative on the South West Campus Advisory Board and I would welcome the opportunity of being reappointed as the Academic staff representative for a second term.
