Clare SZMEKURA

No election statement provided.

Nick MACLAINE

This is my second year of being at WAAPA – last year I completed the Music Theatre certificate, and this year I've been doing my Cert IV in Classical Music. (Next year I hope to begin the Ad. Dip. Course.) I also moonlight as a law student at UWA, but it's the WAAPA community which I'm passionate about. WAAPA's an exciting and dynamic place to be studying, and I would feel privileged to be given the chance to represent all of its students at the governing level. I'm very confident that I'm up to the task – I'm easygoing but hardworking, meticulously organised, and I've got committee experience. If you want to get in touch, please email me at nmaclain@student.ecu.edu.au.

Hilary MCKENNA

I am a second year Arts Management student and am also the President of the Arts Management Student Organisation (AMSO).

Having already represented both Arts Management and The Academy on various committees, it has been one of my key goals to strengthen and expand relationships between all of WAAPA's various departments and to voice the values and concerns of all students in the hope of really making a difference.

If elected as the 2009 WAAPA board representative, I can ensure that all students will have a spokesperson who can voice their concerns to the WAAPA board with truth and conviction.
