

**PRODUCTION & DESIGN DEPARTMENT  
APPLICATION FOR ENROLMENT  
SOUND STREAM**

Applicants wishing to be considered for the above stream of study will be required to undertake the entrance project detailed below and present it at the interview.

Consider carefully the following three descriptions:

- 1 My life.
- 2 An Australian summer.
- 3 Transport.

Provide, on an audio CD (mp3 is acceptable) your personal interpretation of the above three descriptions. The interpretations should be no longer than one minute each and can make use of sound effects, voice and music.

A short written description of your interpretations, approximately 500 words in length, should accompany the c.d.

---

Any further inquiries regarding the format of your project should be directed to:
