

# Welcome to ECU Melbourne and ECU Sydney

**As Vice-Chancellor of ECU, I am proud that we are partnering with VIT (Victorian Institute of Technology) to deliver courses in Melbourne and Sydney in key city-centre locations from 2018.**

Our co-location partner, VIT is supplying the physical infrastructure and key services to students. VIT will also continue delivering their Vocational Education and Training and Higher Education courses from these same locations.

Under this partnership, international students will study courses from ECU's School of Business and Law and School of Science.

The students in Melbourne and Sydney can expect the same high quality content, delivery method and assessments as their fellow ECU students in Western Australian and international locations enjoy.

We are a university that puts students at the centre of everything we do. It's an approach that has been rewarded with a five-star ratings for teaching quality for a record 11 years in a row by the Good Universities Guide (2018).

Students in Melbourne and Sydney now have the opportunity to experience this same five-star teaching.

**Professor Steve Chapman CBE**  
Vice-Chancellor  
Edith Cowan University

## About ECU Melbourne and ECU Sydney

ECU is delivering courses in city locations co-located with VIT in the heart of the Melbourne and Sydney city centres. These city campuses allow students to enjoy the amenities of the leading cities in Australia such as transport, libraries, cafés and entertainment, while the teaching and learning location provides computer labs, academic and non-academic services, support services and study spaces. Some services will be shared with VIT students.

Undergraduate and postgraduate courses are offered in the following disciplines:

- Business Administration
- Accounting
- Project Management
- Cyber Security

## ECU Melbourne & ECU Sydney Locations

ECU Melbourne and ECU Sydney are operated in partnership with VIT at these locations:

- ECU Melbourne:  
118 Queen Street, Level 6, Melbourne VIC, 3000
- ECU Sydney:  
333 Kent Street, Level 5, Sydney NSW, 2000
