Presented by Jill Hansen
Pearling Lagoons of the Cook Islands

- We lived and worked here.
- The local village
- Airport and main village of approx 200 people 3/4 of an hour boat ride away.

This is where we lived and worked seeding pearls.
Milky Way Comet Hyakutake
Once every 70,000 years

This was my beginning of the Lust journey with diamonds embellishing the pearls
WESTERN AUSTRALIA FASHION AWARDS
SPONSOR 2013- 2015
