

## ELECTION STATEMENTS

### ELECTION OF A SOUTH WEST CAMPUS ACADEMIC STAFF MEMBER TO THE ECU SOUTH WEST CAMPUS (BUNBURY) ADVISORY BOARD

*Electronic polling will be conducted on 26 – 31 October 2018.*

---

#### **NATHALIE COLLINS**

I started working at ECU South West in 2002. Over a decade of my time has had the South West as a focus. I have been a professional and academic staff member: a sessional academic, a researcher, developed content for ECU South West courses and worked closely with every discipline on campus. ECU SW is an essential part of the overall ECU landscape. It is crucial that both the local and ECU community continue to perceive us that way. As someone who has lived and worked in regional Western Australia for over 15 years, I understand the value and potential in the region. Please allow me the opportunity to serve this campus and community by being a part of this Board.

---

#### **JULIE NYANJOM**

If elected, it will be my honour and privilege to contribute positively to the board and be a voice for the South West Campus academic staff.
