

# Interprofessional learning through simulation

## **Mental health in the workplace: *identifying and communicating with colleagues at risk of suicide***

This resource was developed by Edith Cowan University, Office of the Pro-Vice-Chancellor (Health Advancement) (2012), supported by:

- Australian Government Office for Learning and Teaching, National Teaching Fellowship 2011-12, "Enhancing the uptake of learning through simulation in health";
- the Interprofessional Ambulatory Care Program, a clinical training initiative supported by funding from the Australian Government under the Increased Clinical Training Capacity (ICTC) Program; and
- the ECU Health Simulation Centre.

### **Cast**

Surgeon – Jenny Davis

Scout Nurse – Ingrid Hartwig

Anaesthetist – Luke Hewitt

Scrub Nurse – Damon Lockwood

### **Acknowledgements**

- Richard Bostwick RN, Year Two Coordinator, Senior Lecturer (Mental Health) and Dr Michael Monisse-Redman MAPS MCCP, Course Coordinator (Doctor of Health Science) Lecturer (Mental Health), at ECU. Richard Bostwick and Michael Monisse-Redman have both delivered extensive professional development with the Suicide Prevention Gatekeeper Training over the past 18 years.
- Professor Cobie Rudd, Pro-Vice-Chancellor (Health Advancement) and Chair in Mental Health at Edith Cowan University and the National Teaching Fellow 2011-2012, Australian Government Office for Learning and Teaching for 'enhancing uptake of learning through simulation in health'.
