This Local TravelSmart Guide aims to promote sustainable travel choices. Produced by the Department for Planning and Infrastructure and the Edith Cowan University.

This Guide can be made available in alternative formats. Telephone: 9216 8000

While all care has been taken to ensure the accuracy of the information and suitability of the pedestrian and bicycle facilities described herein, users of this publication and of the facilities do so at their own risk. The Department for Planning and Infrastructure, Minister for Planning and Infrastructure and Edith Cowan University do not accept liability for any inaccuracies contained herein, or any damage, injury or other consequences arising from the use of this publication or use of the pedestrian and bicycle facilities.

How do you get around?

Most people use the car. A travel survey found that 64% of trips to ECU Joondalup were by car and most were by the driver alone.

There are travel alternatives available in your local area, and many good reasons to use them. By walking, cycling or using public transport you can reduce car trips and so:

- reduce local traffic
- reduce air pollution and greenhouse gas emissions
- improve your health through physical activity
- reduce your travel costs

Wherever you are going, consider your options - that is what being TravelSmart is all about.

Public Transport

Public transport is a quick and convenient option for many trips; in fact 29% of ECU Joondalup students travel to and from ECU Joondalup on public transport.

Instead of being stuck in traffic, try the bus or train. You can sit back and relax, save on car running and parking costs and avoid the hassles of driving. Try public transport for some of your shopping trips or to get to sporting events, concerts or other attractions.

Public transport hints:

- Phone Transperth on 13 62 13 or go online at www.transperth.wa.gov.au to check out bus and train services you could use. Timetables and guides to Transperth services are available at all Transperth InfoCentres, Council offices, libraries (including ECU) and at Student Central on ECU campuses.
- Buy a MultiRider and you can save 15 to 25% on cash fares when you use public transport. MultiRiders are available from many newsagents and Transperth InfoCentres. SmartRider cards will replace MultiRiders in 2006.
- If you want to catch a bus, remember to hail it at a bus stop.

Transperth Train Information To/from Joondalup

Time	Frequency
Weekdays - Peak periods	8 mins
- Off peak	15 mins
- Evenings	30 mins
Weekends - Day time	15 mins
- Morning/evening	30 mins

Travel time from Perth is 23 minutes on express trains or 25 minutes stopping at all stations.

- First service departs Joondalup Train Station at 7:58am
- Last service departs Joondalup Train Station at 5:58pm
- Route 10 runs anti-clockwise
- Route 11 runs clockwise

Transperth Bus Information To/from ECU Joondalup

Transperth bus routes 462, 463, 464 and 465, running between Whitfords Interchange and Joondalup Interchange, stop at ECU Joondalup (on Grand Blvd near Kendrew St, right outside the new building 1). All these buses connect (at both stations) with trains travelling to and from Perth.

All other Joondalup buses travel to Joondalup Interchange, where you can transfer to buses travelling to ECU Joondalup.

Bus Timetables

Bus Routes	Timetable No.
390	Northern 69
460, 461, 462	Northern 65
463, 464, 465, 466	Northern 66
468	Northern 73
470, 471, 472, 473, 474	Northern 67

Walk or Cycle

There are many short trips where travelling on foot or bicycle is a good alternative to driving. A recent travel survey found that almost half of the car trips made by local residents are 5km or less, 30% are 3km or less and some are over just a few hundred metres.

This shows walking or cycling is possible for many trips - such as going to the local shop, and it is a way of fitting healthy physical activity into your everyday life. Many roads offer a safe and convenient route and the network of paths is growing.

Walking hints:

- Two walking trips a day will go a long way to Find 30 minutes of exercise.
- Be courteous to cyclists on shared paths by keeping left.

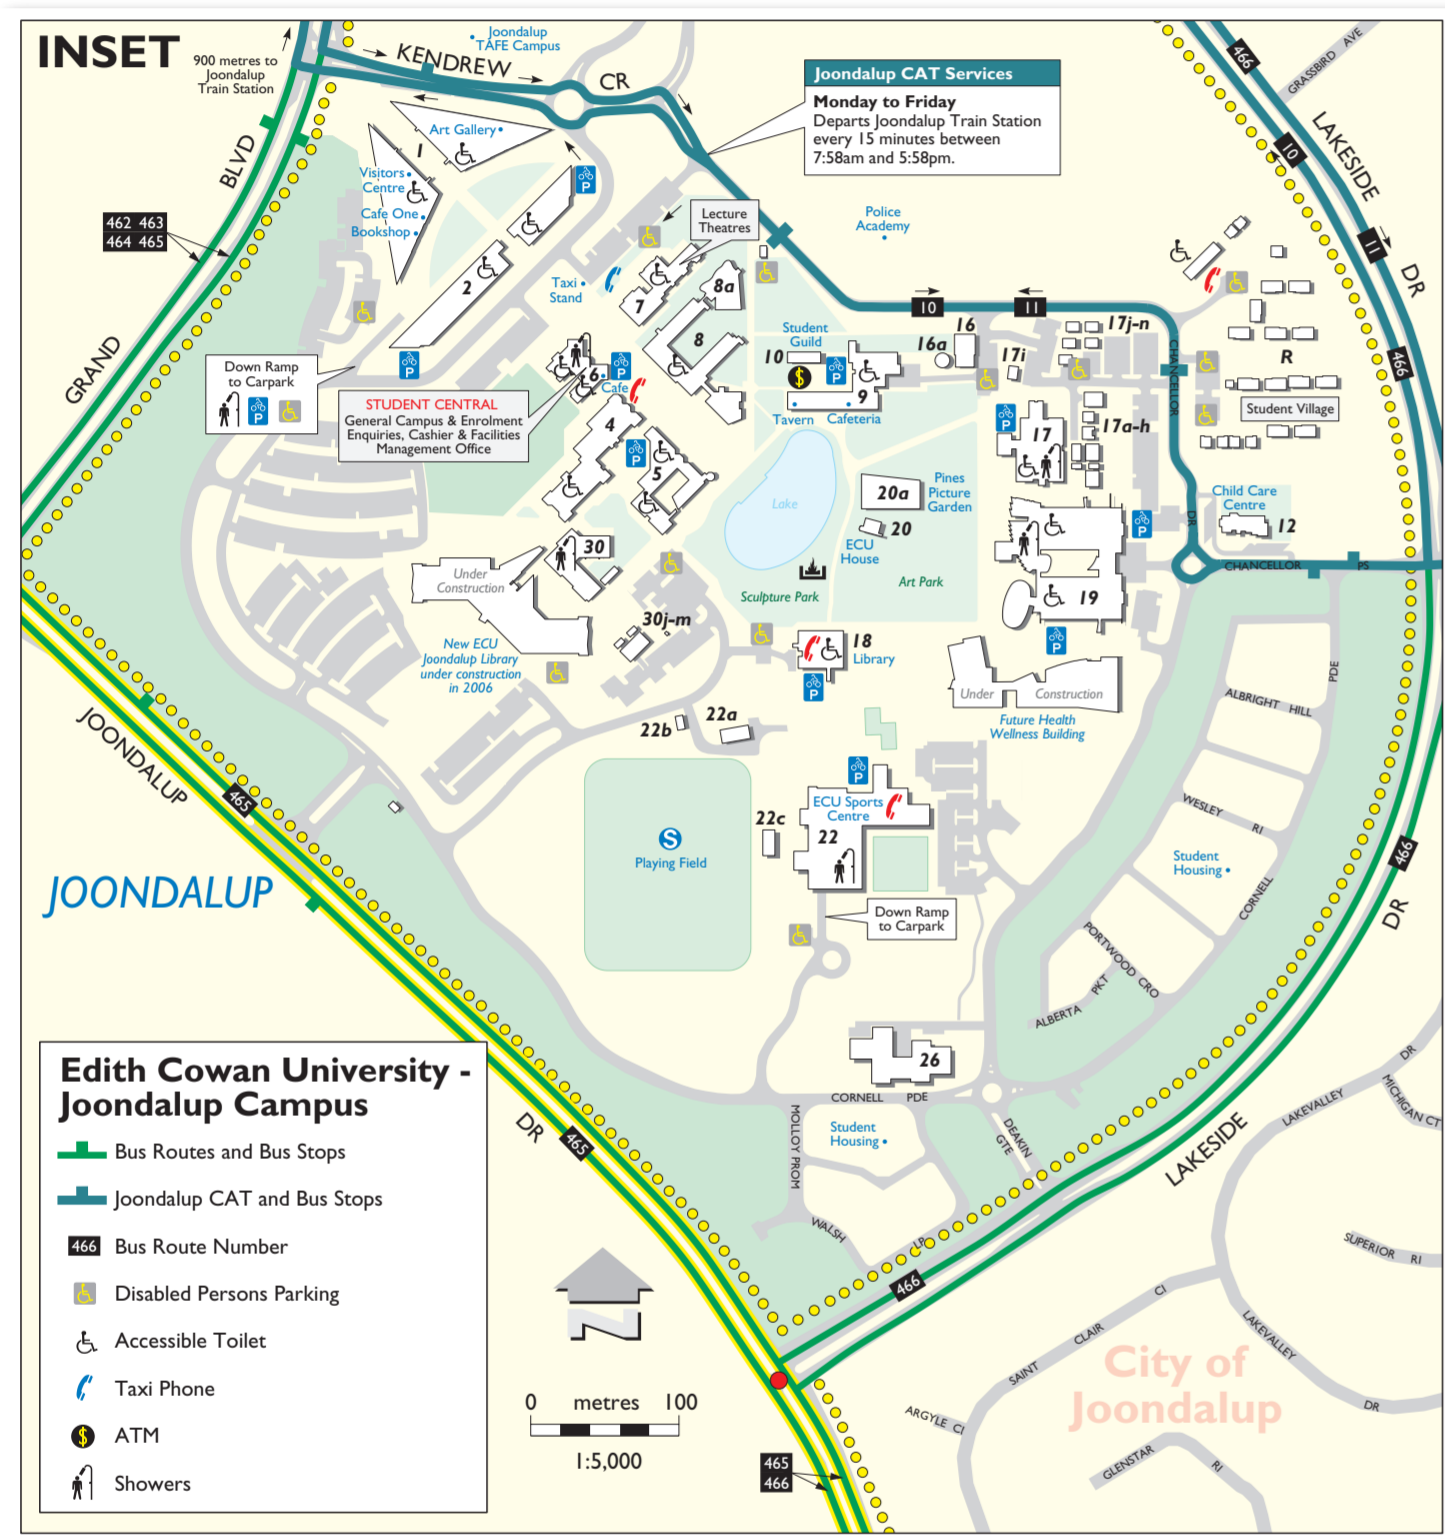

Cycling hints:

- Find a convenient route. Use this map or one of the Perth Bike Map Series (more comprehensive cycling maps) that can be purchased from bike shops.

- Wear a helmet and bright clothing.
- At night, use front and rear lights.
- Be courteous to walkers who use shared paths.
- Talk to regular cyclists for advice on local cycling conditions.

Taking Bikes on Trains:

- Bikes can go on all trains during off peak times, weekends and public holidays.
- During weekday peak times, you can take your bike on trains going away from Perth City (7:00-9:00am) or towards the City (4:30-6:30pm), and bikes are not permitted on trains stopping at or passing through Perth Train Station at these times.
- Free bike lockers and u-rails are installed at all train stations.
