How do you get around?

Most people use the car. A travel survey found that 62% of trips to ECU Mt Lawley were by car and most were by the driver alone.

There are travel alternatives available in your local area, and many good reasons to use them. By walking, cycling or using public transport you can reduce car trips and so:

- reduce local traffic
- reduce air pollution and greenhouse gas emissions
- improve your health through physical activity
- reduce your travel costs.

Wherever you are going, consider your options - that is what being TravelSmart is all about.

Public Transport

Public Transport is a quick and convenient option for many trips with 23% of trips to ECU Mt Lawley made this way.

Instead of being stuck in traffic, try the bus or train. You can sit back and relax, save on car running and parking costs and avoid the hassles of driving.

Try public transport for some of your shopping trips or to get to sporting events, concerts or other attractions.

Public Transport hints:

- Phone Transperth 13 62 13 or go online at www.transperth.wa.gov.au to check out bus and train services you could use. Timetables and guides to Transperth services are available at Transperth InfoCentres, Council offices, libraries (including ECU) and at Student Central on ECU campuses.
- SmartRider users receive 15% or 25% discount on cash fares. Full time university students should complete a Tertiary SmartRider application form and have it signed by the University before purchasing SmartRider cards from Transperth InfoCentres and authorised SmartRider Retail Outlets from 8 January 2006.
- If you want to catch a bus, remember to hail it at a bus stop.

Walk or Cycle

There are many short trips where travelling on foot or bicycle is a good alternative to driving. A recent travel survey found that almost half of the car trips made by residents are 5km or less, 30% are 3km or less and some were over just a few hundred metres.

This shows that walking or cycling is possible for many trips - such as going to the local shop or getting the kids to school. And it is a way of fitting healthy physical activity into your everyday life.

You could try cycling to ECU Mt Lawley or visiting friends. Many roads offer a safe and convenient route and the network of paths is growing.

- Walking hints:**
- Two walking trips a day will go a long way to Find 30 minutes of exercise.
 - Be courteous to cyclists on shared paths by keeping left.

- Cycling hints:**
- Find a convenient route. Use this map or one of the Perth Bike Map Series (more comprehensive cycling maps) that can be purchased from bike shops.
 - Wear a helmet and bright clothing.
 - At night, use front and rear lights.
 - Be courteous to walkers who use shared paths.
 - Talk to regular cyclists for advice on local cycling conditions.

Train Information

Train services on the Midland line run every 8-15 minutes during the day and half hourly at other times. There are no bus services connecting the University with Mt Lawley Train Station. Train users wishing to connect to buses are advised to do so at Perth Train Station.

- Taking Bikes on Trains:**
- Bikes can go on trains during off peak times, weekends and public holidays.
 - During weekday peak times, you can take your bike on trains going away from Perth City (7:00-9:00am) or towards the City (4:30-6:30pm), and bikes are not permitted on trains stopping at or passing through Perth Train Station at these times.
 - Free bike lockers and u-rails are installed at all train stations.
