

Awarded to,

Carbon Literacy event hosted by the Joondalup Learning Precinct and the City of Joondalup

Your contribution to the Program has resulted in Carbon Conscious Limited (CCF) planting Mallee Eucalypt trees within the Australian Wheatbelt to offset 3 tonnes of CO₂-e.

The native Australian trees are planted on marginal land and will help reduce salinity and wind erosion on farms whilst contributing to the fight against climate change.

Carbon Conscious and “Greensense” - working together to reduce our impact.

Peter Balsarini - Chief Executive Officer

13 July 2009
