Library Tours and Information
(21-25 JUL)
Where to go for information and how to find it! Discover your campus library service. **Duration:** 30-40 minutes. Booking is essential.

Library tours will also be available in week one and two of semester.

Using Library Resources
(21-25 JUL)
A more in-depth look at locating books, journals and electronic resources in the ECU Library collection. **Duration:** 50 minutes. Booking is essential.

Campus Tours
Maps and printed self-guided campus tours are available from the Welcome Centre (Building 3). If you would prefer a guided tour, these are available on the Welcome Day, 24 July and can be booked online at www.ecu.edu.au/student/student-learning/. An electronic campus tour podcast is available to view and download from our website www.ecu.edu.au/student/orientation/arrive/camtour

Balancing Life and University
WEDNESDAY 23 JUL
You’ve succeeded in getting here, but how do you balance your personal life with the demands of study, adjust to the change and make it all work? Come along to this two-hour workshop to find out how to manage it all as you begin this new and exciting journey. This workshop is designed to be fun and interactive, as well as informative, focusing on topics such as personally adjusting to transition, goal setting and time and stress management. Booking is essential.

Events Booking
For sessions that indicate booking is essential, please book online at www.ecu.edu.au/student/orientation

Living in Perth Program for international and relocating students
THURSDAY 17 JUL
The Living in Perth Program covers vital information about getting settled and living in Perth. This session is recommended for all international students (including exchange and Study Abroad) and students relocating from rural WA or interstate who are unfamiliar with living in Perth.

It includes sessions on using public transport, personal safety and the health system. You will hear first-hand information and experiences from students about living and having fun in Perth when you are not studying. You will find out about the support and welfare services available for students living in Perth. Specifically for international students, there will be information regarding your visa that governs your stay in Australia, and overseas health cover. Booking is essential.

Following the Living in Perth session, Assisted Enrolment Sessions are taking place for international students. Staff will be available to assist you with choosing and enrolling in your units, seeking advanced standing and understanding course and unit structures. Please check the orientation website www.ecu.edu.au/student/orientation/participate/induction to find out when and where your course specific assisted enrolment session is taking place.

It is very important that you attend this session, and ensure that you have original or certified copies of all academic transcripts (translated into English if necessary) if you wish to apply for advanced standing.
Your School Induction Session contains important course information, providing specific details of your course study requirements, booklists, unit advice, practicum requirements (if applicable) and an opportunity to meet staff and students in your School. It is very important that students new to ECU attend this session.

Session times are listed below by course code, which is the 3-digit code shown at the top of your Offer Notification. If you do not know your course code please contact Student Central on 134 328 or email: studentcentral@ecu.edu.au, or ask one of the staff at the Welcome Centre who will be happy to assist. If your course code is not listed below, your School Induction may be taking place on either Joondalup or Bunbury Campus.

Bookings are not required for School Inductions (with the exception of Nursing, course codes KAS, KAE – please contact nrg@ecu.edu.au to reserve your place).

Please Note: all session timings and venues were correct at the time of printing. Please check the Orientation website www.ecu.edu.au/student/orientation for the most up to date information time of printing. Please check the Orientation website www.ecu.edu.au/student/orientation for the most up to date information.

Welcome Centre

UNISTART

We strongly recommend that you enrol for the Unistart program. Unistart comprises two separate modules covering IT/Library, and Academic Skills which can be attended either sequentially or at a time of your choice. See schedule overleaf for times and venues. Bookings are essential. Unistart is a great way to familiarise yourself with the requirements of university life and study. For students returning to study, after a long gap, or in a new discipline (e.g., if you change your undergraduate major), it is mandatory. Unistart ‘Returning to Study’ sessions are recommended. International students can attend any of the Unistart programs. The Unistart International program is specially for students who are not confident speaking English. For further details about Unistart and which program is most suitable for you, please see our website www.ecu.edu.au/student/orientation.

Welcome Day - Launch event

THURSDAY 24 JULY, MINI AROMA CAFÉ AREA, 11AM – 1PM, BUILDINGS 16-17

This is an event designed to welcome you to ECU. Commencing with a welcome by your Vice-Chancellor, Professor Kern O. Cox, the program includes entertainment, music, ECU information, corporate and community stalls, giveaways and a free BBQ lunch. Many School inductions will take place on this day between 9:00 – 11.00am or from 1.00pm onwards (see timetable opposite). Your Student Guild will also provide entertainment at the Tavern after hours the same day – make sure you don’t miss out on this opportunity to meet your fellow students!
