(72) Graduate Research School	70	93	57	101	56
All Schools	49	78	26554	70668	38

Note:

- "N Resp" is the number of respondents in the group; "N Enrol" is the number enrolled; and "Resp Rate%" is the percentage responded.
- Mean values are calculated after recoding the responses 1 (strongly disagree), 2 (disagree), 3 (neither agree nor disagree), 4 (agree) and 5 (strongly agree) to -100, -50, 0, 50, 100 respectively.
- Percentage (%) agreement is defined as the percentage of applicable responses that are either 4 (agree) or 5 (strongly agree).
- Results based on low response numbers (up to five or ten, for example) need to be treated with extra caution, especially if they represent a small proportion of the eligible number of respondents.
