POSTGRADUATE EDUCATION SCHOLARSHIPS

The Fogarty Foundation generously provides annual \$5,000 scholarships to eligible postgraduate Education students.

These scholarships are offered to teachers to help them upgrade their qualifications in two specific disciplines. Eight (8) x \$5,000 scholarships are available to students who study a Graduate Certificate in Education or a Master of Education Coursework specialising in Learning Difficulties, or Special Education.

Scholarships will be awarded to eligible recipients as a cash payment.

Note: Applicants are unable to be in receipt of any other scholarship. Previous Fogarty Scholarship recipients are also ineligible.

ELIGIBILITY

You must:

- be an Australian citizen or Australian Permanent resident;
- be currently enrolled in the Education specialities; and
- hold a course progression status of good standing.

HOW TO APPLY

Visit the Fogarty Foundation Scholarship page between March 1 2020 and April 1 2020 and follow the guidelines.

Your application should also include a 500 word personal statement demonstrating your commitment to working with children who have leaning difficulties and/or special needs.
