Disruptive Immersion|2023

Disruptive Immersion | showcases the creative works of **Steven BAITZ**

Disruption and Immersion is a body of instantaneous photographic work to suggest time and movement through collage or polyptych. A diverse range of cameras—a Holga, a DSLR and a drone—are employed to evoke, a sense of peace and contemplation, as experienced through many immersed walks in such spaces.

Officially opened by **Dr Nicola KAYE & Dr Paul UHLMANN** at 5:45pm

Gallery25
