

# Knowledge on Tap

## Last Wednesday of each month at Birra Bar

Enjoy a monthly series of free quick talks in the pub, from business to sustainability and everything in between, presented by the School of Science.

Join us for a new topic with different ECU speakers each month:

- 30 April - Health
- 28 May - Bioinnovation
- 25 June - Oceans
- 30 July - Food Security
- 27 August - Smart Cities
- 24 September - Biodiversity
- 29 October - Mental Health
- 26 November - Diversity in Science

Scan QR code for more information  
and to book your free ticket

**Creative thinkers  
made here.**
