# ECU Smoke Free from 2012

ECU has a responsibility to its Staff, Students and Visitors to maintain a healthy workplace

- From 1<sup>st</sup> January 2012, ECU will be a smoke free University
- This includes all grounds, ovals, parks, car parks and undercover areas. There is no designated smoking areas
- ECU has provided a range of support and cessation programs to assist staff and students to stop smoking, for more information: [www.ecu.edu.au/smokefree](http://www.ecu.edu.au/smokefree)
- To protect the environment, please use the butt bins supplied when choosing to smoke off campus.
