

Bachelor of Commerce Professional A Full Year Industry Placement

School of Business and Law

Take part in the exciting new Bachelor of Commerce Professional in 2019!

The one-year Bachelor of Commerce Professional is an invitation only, fourth year program which gives students the opportunity to work full-time for one year in your organisation.

Only students who have successfully completed ECU's Bachelor of Commerce (or Bachelor of Business) will be participating in the program.

Graduates will work in your organisation for 44 weeks, on a full-time basis across a range of projects including but not limited to; marketing, accounting, finance, and human resource management.

The program begins at the start of each year, flexible working hours and arrangements can be accommodated with pay at award rates applicable to your industry sector.

Benefits of taking on a student in this program

- Gain fresh ideas from our cutting edge graduates.
- Get help completing projects you've been wanting to begin!
- Get extra support for your busy staff members.
- Trial and develop a pipeline of new talent to grow your business.
- Have continuity and flow with a lengthy internship which spans a full year.
- Develop your existing staff supervisory and mentoring capacity.
- Contribute to local workforce development and become an employer of choice.
