Students are requested to submit all clinical placement requirements to SONIA by the due date specified on the Clinical Placement and Clinical Practice Unit Canvas site. Clearances should be valid for the entire semester period (PR7 or PR8)

Please include your course code 'T91' in the name of each and every document upload to SONIA

Do not upload documents in HEIC format as they are unable to be opened in SONIA and will not be processed

Refer to the Clinical Placements Canvas site for specific instructions on obtaining each of these requirements

All queries relating to clinical placement requirements should be submitted using the following link after thoroughly reviewing the Clinical Placement requirements module: [Prac Enquiry Form](#)
