Students are requested to submit all clinical placement requirements to SONIA by the due date specified in the clinical placement unit/Clinical Placements Canvas site announcement

Clearances should be valid for the entire semester period

Please include your course code 'L88' in the name to individual documents upload to SONIA

Do not upload documents in HEIC format as they are unable to be opened in SONIA and will not be processed

Refer to the L88 Nurse Practitioner module on the Clinical Placements Canvas site for specific instructions on obtaining each of these requirements

All queries relating to clinical placement requirements should be submitted to [snmnp@ecu.edu.au](mailto:snmnp@ecu.edu.au) after thoroughly reviewing the Clinical Placement requirements page in the L88 Nurse Practitioner module on the Clinical Placements Canvas site
