

TRACS Diversity Research Network 2026 Annual Symposium 22 - 24 July 2026

Join us for the 3rd annual TRACS symposium,
A key event in the ECU Research Program in
Migration Diversity and Care.

All ECU staff and HDR students are invited to
participate and share their research and work-in-
progress in a welcoming, inclusive environment.

Call for papers coming soon!

This year the TRACS Symposium will also feature a
special 1-day event focussing on Social Frailty with
a keynote from internationally recognised leader in
ageing, frailty and dementia, Dr Benjamin Ho from
Hong Kong University.

☕ Tea and light lunch to be provided ☕

📍 Venue: ECU City Campus

 **Calendar:**
