Vice-Chancellor’s Message

These truly are exciting times at Edith Cowan University (ECU). Exciting because ECU students benefit from studying at an institution that has been ranked Australia’s top public university for undergraduate teaching quality four years in a row according to the QILT (Quality Indicators in Learning and Teaching) survey results.

ECU was granted university status in 1991 and today we have more than 30,000 undergraduate and postgraduate students. We also have one of the most diverse student populations in Australia, with around 6,000 international students from more than 100 countries.

Within our comprehensive range of degrees, we offer industry-relevant teaching and research, a supportive study environment, and award-winning facilities. What we do clearly works because we have been recognised with a five-star rating for teaching quality for twelve years in a row in the 2019 Good Universities Guide.

For international students, we provide the opportunity to experience Australia’s unique culture. Each of our three campuses – Joondalup and Mount Lawley in metropolitan Perth and the South West Campus in Bunbury – offer you the chance to study in a vibrant academic environment alongside a diverse range of students.

So what are you waiting for? I invite you to join us on this exciting journey and become World Ready.

Professor Steve Chapman CBE
Vice-Chancellor

OUR CAMPUS

We are located over three campuses in beautiful Western Australia. We pride ourselves on our industry relevant, world class facilities that allow you to experience modern equipment in real-world environments.

All of our campuses can be accessed conveniently via public transport.

JOONDALUP CAMPUS

Our headquarters are at our stunning Joondalup Campus, 25km north of Perth.

A free bus ride connects the campus to the Joondalup Train Station and Lakeside Joondalup Shopping Centre, the largest shopping centre in Western Australia.

25 minutes from Perth city by train

MOUNT LAWLEY CAMPUS

Located in the thriving cultural hub of Mount Lawley and 6km to Perth city centre.

You can’t help but be inspired by the artistic vibe at our Mount Lawley Campus. It offers extensive media training and performing arts facilities, and is home to the Western Australian Academy of Performing Arts (WAAPA), one of Australia’s most successful performing arts training institutions.

15 minutes from Perth city by bus

SOUTH WEST CAMPUS

Located two hours’ drive south of Perth.

Our South West Campus in Bunbury is the largest university campus in regional Western Australia, offering small, personalised class sizes and on-campus accommodation.

2 hours from Perth city by car

GETTING AROUND PERTH

Perth has a modern and safe public transport network that is convenient and accessible for university students.

- **Free bus service:** All buses in Perth, Fremantle and Joondalup city zones are FREE.
- **Discount:** Full-time students receive between 40% and 45% discount on all public transport.

Perth also benefits from sharing the same time zone as 60 per cent of the world’s population. And it’s the closest Australian capital to cities in Asia, Africa, and Europe. No less than 22 airlines fly between Perth and international cities.

Why Study in Perth?
With a high standard of living, Perth is Australia’s fastest-growing city. Vibrant, sophisticated and safe, Perth is regularly rated among the top cities in the world for liveability1. The mild Mediterranean climate, endless blue skies, fresh air and brilliant white beaches are hard to beat!

Student Employment
International students typically work in retail, hospitality and administration roles in Perth.
• Minimum wage is currently $18.93 per hour.
• You can earn more on weekends, night shifts and public holidays!
• Student visa holders can work part-time, up to 40 hours per fortnight and full-time during the semester breaks.

International Graduate Opportunities
In 2018, the Western Australian State Government introduced an additional Graduate Skilled Migration list that will give high-achieving international graduates a pathway to skilled migration.

Explore the complexities of the human mind, immerse yourself in a creative and engaging environment and make a contribution to improving people's quality of life.

ECU's School of Arts and Humanities offers a broad range of specialist and interdisciplinary courses in the arts, design, media and communication, psychology, criminology and the social sciences.

Our flexible course structures allow open access to electives in all areas of the School to encourage multi-skilling, improve employment prospects and to promote a broader understanding of how the arts and humanities play a central role in the social and cultural fabric of our society.

ECU has made a major commitment to the arts through a $5 million investment in Arts and Humanities facilities. The re-housing of the design, photography and media studios, and new broadcasting studios, along with the refurbishment of the visual art and fashion areas, provides world-class facilities for staff, students and researchers.

Tuition Fees
Arts & Humanities annual fees range from $29,850 to $45,400, depending on your course. These fees are indicative based on the units you select, so your fees may vary from one semester to the next.
I’ve always been passionate about helping society which is why I chose to study Social Science at ECU. This was the best decision I’ve made.

The lecturers are friendly, understanding and helpful. I had no idea that the course would be so practical in regards to coming up with solutions to problems that might be encountered by the community. I undertook a work placement, which was amazing as I was involved with offenders who were working in the community. The course enabled me to interact with people at a different level, and develop my skills on how to handle future challenges.

I was gratified by the number of things I’ve been able to accomplish, including winning the Champions award by the VC and serving as the Athletic Captain and Vice President – Social Activity at the ECU Guild.

I believe ECU has been the cornerstone to my success as I am now a confident adult who is able to face challenges as they come.

I chose ECU because I liked the units offered and the structure of the course, and the location was amazing, especially coming from a landlocked country!

Studying at ECU was full of learning experiences. Adapting to the learning and teaching systems of a different country was a challenge, but the lecturers, tutors and many different academic support networks were extremely helpful and assisted me in achieving academic success.

The course has helped me greatly with developing time management skills. Coping with living in a new environment and having to work under stress were big challenges at the start of my degree, but dealing with this pressure is now my greatest strength.

Whilst studying at ECU I had the opportunity to complete an internship at Landgate. This opportunity helped link theory to practice in the contemporary project environment. The skills I have learnt, and the network I have been able to build, though out this experience will undoubtedly help me to excel in my professional career.

“ECU has supported me all the way.”

I wanted to choose a university whose foundation is strong and I like the fact ECU’s Master of Engineering is professionally accredited by Engineers Australia.

Civil engineering is one of the core fields of the engineering industry. The benefit of doing construction projects during your Master’s studies is that you can exercise the technical skills learned at university. After completing my engineering practicum, I have been able to secure a position as a part-time Graduate Civil Engineer with a construction firm in Perth. The first construction site I was appointed at was a bridge construction project in the heart of Perth. Such an opportunity allowed me to not only build my experience as a Site Engineer, but also to work with a very efficient team of civil engineers and deliver the project.

During my journey, I’ve learnt that you can always get help if you ask. ECU has supported me all the way, through continued support of lecturers and through the help of student services.

ECU’s School of Medical and Health Sciences teaches an exciting and diverse range of disciplines.

Courses include biomedical science, health science, exercise and sports science, exercise science and rehabilitation, medical science, occupational therapy, paramedical science and speech pathology. Students have access to state-of-the-art facilities and specialised laboratories – all of which allow students to put theory into practice. Our undergraduate courses also provide a basis for honours and postgraduate studies, laying the groundwork for future careers in health and medicine.

ECU’s science laboratories are equipped to train medical science and biomedical science students in microbiology, genetics, haematology and biochemistry. Students have access to microbiology equipment for working with microbiological organisms and DNA. ECU also houses state of the art equipment for cell, DNA, RNA and protein isolation and characterisation, electrophoresis, automated microscopy and digital imaging, in addition to a fully-equipped histology laboratory. ECU is also home to only one of four authorised schools of anatomy in the wider metropolitan area. This allows staff and students to use human cadavers in the teaching of health courses, providing an authentic learning experience.

I feel safe and a sense of belonging when I am at ECU.

I chose ECU for biomedical science because it has a flexible course structure. In my three years of studies, I was allowed to take units that interest me as electives, while also completing compulsory (core) units. It enhanced my whole study experience.

The atmosphere at ECU is inclusive and has a community feeling to it. I feel safe and a sense of belonging when I am at ECU. Lecturers are very engaging and approachable which helped me keep track of my studies. They are knowledgeable and passionate about the things they do.

If you are an international student who is new to ECU, get yourself involved as much as you can in whatever interests you. Help is always available and there are people ready to advocate for you if you need them. Join a club or a university activity, volunteer your time and put yourself out there!

ECU offers a range of unique specialist undergraduate and postgraduate nursing and midwifery courses.

Our renowned nursing program is the largest in Western Australia, while our nursing and midwifery dual degree program offers an innovative and broad study approach for scenario-based learning of nursing and midwifery. The school provides students with access to state-of-the-art health and wellness facilities featuring simulated practice areas for scenario-based learning, and practicum placements with a range of healthcare providers.

Our state-of-the-art health and wellness building incorporates high and low fidelity simulated practice wards for both nursing and midwifery that provide a safe, authentic environment for clinical skills development. These provide students with the opportunity for experiential hands-on practice to learn nursing and midwifery skills in a variety of simulated scenarios, designed to increase the competence and confidence of students. The wards have 91 beds that simulate the real world healthcare environment including two dedicated midwifery practice areas.

The School of Nursing and Midwifery, through postgraduate coursework and research programs, seeks to make a real difference to people and their families, their careers, our communities, and the broader health and education sectors. We offer world-class facilities and strong academic leadership in the fields of nursing and midwifery postgraduate studies. Our research programs are built upon a collaboration of world-class researchers, industry leaders and clinical experts. In our School, we firmly believe that with the right support, everyone can achieve their ambitions and excel in their careers. All of our courses are developed in collaboration with industry partners to ensure contemporary and responsive curricula to enhance our students’ knowledge and career progression.

I was fortunate to have had the chance to study my nursing course at the ECU South West Campus and the ECU Joondalup Campus – both campuses provided a comfortable, challenging and supportive learning environment.

ECU has provided everything that I need to succeed in my studies. The lecturers are all knowledgeable and approachable. My favourite part of the course is the practical workshops where we obtain hands-on skills and experience, you get a feeling of what it is going to be like after graduation. The atmosphere on campus is very laid-back and there is always space in the library or the eLab to study.

The tips and tricks that I have gained through my practicums and my theory units have been invaluable in my workplace. I am currently employed as an aged care support worker and it is great to be able to pass on some of the skills I have learned from my course to other students and colleagues.

What amazed me is the amount of practical units that my course has.

While considering my options for study, the amount of research done by the university and their facilities was a top priority. I was really impressed by ECU’s research, facilities and achievements, which led me to apply to study here. What amazed me is the amount of practical units that my course has—this really opens your mind and widens your experience, preparing you for life after university. The laboratory facilities and experiments I have been able to conduct within them have truly been amazing. Also, I got the opportunity to do work experience with lab technicians conducting important research. This experience made me realise that the practicals carried out in my lab classes were very similar to what the scientists were doing in the labs, which was immensely gratifying. Studying at ECU has been an amazing experience for me.

“The School of Education has fantastic lecturers who are so enthusiastic and encouraging.”

I decided to study at ECU because it was one of the most highly recommended universities. It has such a rich history in Teacher Education in Perth and WA especially, and I thought that was a great starting point.

The School of Education has fantastic lecturers who are so enthusiastic and encouraging. They understand how difficult it can be at times and are always there to push us along and give us that extra boost that we need.

As an early childhood education student, I had the opportunity to undertake professional practice where I was able to teach and learn with an amazing set of students and a mentor teacher. Having that experienced teacher meant I was able to get feedback on my teaching practices and learn new ways of teaching children.

SHOWCASING YOUR TALENT

Each year students, staff and critically acclaimed guest artists collaborate to present hundreds of performances across a range of concerts, plays, dance, music theatre, opera and film. Many of these events take place in WAAPA’s own performance venues at ECU’s Mount Lawley Campus. Exciting community partnerships also enable WAAPA students to perform in a diverse range of spaces in the Perth metropolitan area and beyond.

STAR GRADUATES

WAAPA graduates are in high demand and excel in their chosen professions, leading lives of artistic passion and making a huge contribution to the performing arts and allied industries.

Highly celebrated graduates include:

**Actors**: Hugh Jackman, Frances O’Connor, Rachael Maza, Jai Courtney, Dacre Montgomery, Geraldine Hakewill

**Comedians**: Jim Jeffries, Tim Minchin

**Opera singers**: Emma Matthews, Duncan Rock, Rochelle Durkin

**Music theatre stars**: Lisa McCune, Eddie Perfect, Meow Meow, Suzie Mathers, Lucy Durack

**Musicians**: Troy Roberts, Linda Oh, Jessica Gethin, Christopher Dragon, Rob Swire (Pendulum/Knife Party), Meg Mac, Kūčka, Karl Thomas (ShockOne)

WAAPA’s Arts Management and Production and Design professionals can be found working in arts organisations and companies around the world.

EXCITING CAREERS ON-STAGE AND BEHIND THE SCENES

With an international reputation for excellence in arts education and training, WAAPA is the perfect place to study for those looking for a career in the performing arts, entertainment, film and television industries.

“Being a mature, international student, I’ve felt welcome from day one.”

My study experience thus far has only been amazing! One of the things that impresses me the most is the fact that ECU is really committed, being involved in both your study experience as well as your personal well-being. They offer assistance in both and I definitely feel they care about every individual student. The lecturers are the best in my field of study and are engaged with students. Being a mature, international student, I’ve felt welcome from day one.

My greatest achievement so far is definitely being accepted to study at WAAPA. I have worked as front-of-house staff for several student productions and volunteered at a few art events. This is an excellent way of getting in contact with organisations and individuals working in the industry. By the time I graduate, I’ll have already acquired valuable experience in the field.

TAKING WAAPA TO THE WORLD

WAAPA staff and students are engaging in an ever-increasing amount of internationalisation with opportunities for study and performance overseas. In 2018, the graduating cohort of acting students travelled to Los Angeles for the first time to present their Hollywood Showcase. Dance students travelled to Beijing and Taiwan, while LINK Dance Company performed in Berlin, Amsterdam and Marseille. Bachelor of Performing Arts students travelled to Singapore, jazz students attended the Improvisation Summer School in Paris and the percussion students attended the Percussive Arts Society International Convention in Indianapolis.

INDUSTRY PARTNERS

Many of our courses offer direct links with industry and professional organisations. Our students have undertaken work projects or professional experience at a number of renowned organisations, such as:

- Australian Chamber Orchestra
- Australian Dance Theatre
- Bell Shakespeare Company
- Cirque du Soleil
- Fringe World Festival
- Melbourne Theatre Company
- Opera Australia
- Perth International Arts Festival
- Royal Opera House Covent Garden
- Shakespeare’s Globe Theatre (London)
- Sydney Dance Company
- The Really Useful Company Asia Pacific
- West Australian Ballet
RESEARCH

UNIQUE PHD PROGRAM AT ECU
We offer a unique pathway to a Doctor of Philosophy, with our Integrated PhD program, which includes a research skills foundation year leading into a three-year research program. A stimulating intellectual environment will inspire you and encourage life changing research outcomes.

TOP RATED RESEARCH SCHOOL
According to the 2018 International Student Barometer, our Graduate Research School has been ranked amongst the top five in Australia in each year since 2011 with satisfaction of 95 per cent or higher.

SOAR CENTRE
The SOAR Centre (Support – Opportunities – Advice – Resources) is a free, peer-to-peer support service open to Higher Degree by Research and Honours students. The SOAR Centre provides support and information with a focus on a wide range of research skills training and career development.

RESEARCH RANKINGS
In the 2018 Excellence in Research for Australia (ERA) results, ECU has received the maximum rating of five (well above world standard) in six disciplines at the four-digit FoR code level. These disciplines include:
• Environmental Science and Management
• Ecology
• Chemical Engineering
• Materials Engineering
• Clinical Sciences
• Neurosciences
The university also received a rating of 5 in two disciplines at the two-digit FoR code level:
• Chemical Sciences
• Environmental Sciences

ECU SPOTS A SOLUTION TO EARLY MELANOMA DETECTION
ECU researchers have made a world-first breakthrough with a blood test able to detect early stage melanoma. Melanoma is diagnosed in more than 14,000 people in Australia each year, with more than 1,700 people – or five per day – dying from the disease.

The new blood test could provide doctors with a powerful new tool to detect melanoma before it spreads throughout the body. Early testing has achieved a success rate of almost 80 per cent.

The Melanoma Research Group at ECU in Western Australia is one of a growing list of world-class research specialisations.

RESEARCH SUPPORT
We are fully committed to the research student experience and we offer a range of innovative and successful support programs:
• An orientation program and events to help you get started.
• An extensive free online and face-to-face research training program to help you develop new research and professional skills.
• Special seminars with guest presenters from business and industry groups.
• Opportunities to network with other researchers.
• Fully-funded annual writing retreat.
• Support for planning your career beyond your research degree.
• Opportunities to collaborate with industry to advance your career (e.g. internships, industry-supported projects etc).

“I have no doubt I came to the right place for my doctoral degree.”

I chose to do my doctorate here because I found the PhD in Business program at the School of Business and Law to be focused on conducting cutting edge and innovative research in areas that are relevant to the global community.

The ECU facilities and services are more than enough for you to achieve your dreams. The great thing about the lecturers is that they give you the opportunity to explore and discover your interests whilst at the same time they guide you to pursue those interests.

I found my supervisors to be very supportive and dedicated to supervising my research work, they create an enabling learning environment that help me to develop my research skills and competencies. To the new international current and prospective students especially the graduate research students, I can assure you that ECU is a great place to study.

ECU carries this climate of a modern, world-class and ambitious institution. It looks like a place I can achieve my goals and aspirations. I have no doubt I came to the right place for my doctorates degree.

STUDENT ACCOMMODATION

ECU offers international students a variety of accommodation options, including on-campus villages, off-campus private rental properties, and home-stay with a Western Australian family.

ON-CAMPUS STUDENT VILLAGE

ECU has excellent on-campus accommodation on all three campuses, making it a convenient option for international students.

Facilities include:

- Outdoor pool
- Sporting equipment
- Swipe card-operated laundry (Joondalup)
- Coin-operated laundries (Mount Lawley and Bunbury)
- Communal kitchen
- High speed internet access
- TV room
- BBQs
- Parking

Due to the high demand for on-campus accommodation, we recommend that you visit mystudentvillage.com/au/ecuvillage and make your online application early.

OFF-CAMPUS ACCOMMODATION

Students may choose to rent an apartment, townhouse or house on their own or with fellow students. Private rental accommodation can be furnished or unfurnished.

Visit ecuvillage.com.au to view off-campus accommodation.

HOMESTAY

Students can also choose to live in a private home with an Australian family. The chance to be involved in daily life, the learning of our culture and customs, plus the added advantage of having the company of other people, are just some of the reasons Homestay is popular.

Visit homestaynetwork.org/edith-cowan-university for more information.

LIVING COSTS

Day-to-day living costs will vary, based on personal tastes, interests and financial position. Students should plan a budget to suit their needs, but make sure it’s flexible enough to allow for changes. Here is a guide to some key weekly expenses.
