

Forrest Research Scholarships

Become a world-leading researcher in your field with a Forrest PhD Scholarship.

The Forrest Research Foundation awards lucrative scholarships to outstanding domestic and international students.

Forrest Scholars

Forrest Scholars are selected based on the following selection criteria:

- outstanding academic achievements (with a bachelor's degree of First Class Honours standard or equivalent)
- exceptional ability, resourcefulness and originality
- the potential to make a positive difference in the world through research
- a demonstration of how the award of a Forrest Scholarship would help build world class innovation and research capacity in Western Australia.

Forrest Scholarships

Forrest Scholars receive a scholarship package worth over AU\$46,000 per annum to undertake their PhD at Edith Cowan University (ECU).

ECU's Graduate Research School has been rated as the top of twenty participating universities in Australia (International Student Barometer 2016). This result sees ECU rated among the top three in Australia since 2011.

Eligible disciplines

Outstanding students from all disciplines can apply for a Forrest Scholarship.
