

U R Blessed Car Care USA (detail), 2020, oil and graphite on canvas, 300 x 300mm, image courtesy of the artist.

Retrotopia | 2022

Retrotopia, the culmination of **Laura MITCHELL's** PhD research, aims to hold a mirror to rampant capitalism through mashup: the juxtaposition and merging of disparate elements. Figurative is spliced with abstract, oil paint sequenced with contemporary and retro-media, and street with studio techniques in this exploration of consumerism as religion past present and future.

Gallery25
