

EDU1310 ASSESSMENT REQUIREMENTS - SEMESTER 1, 2026

The assessment requirements of this orientation to schools are less formal than in other Professional Experiences. Pre-service Teachers are assessed according to whether or not they have met the Professional Experience requirements of full attendance and a high level of professionalism.

Pre-service Teachers in this Professional Experience will not have scheduled visits from a University Supervisor, however, the Mentor Teacher/school is asked to contact the Professional Experience Coordinator, Marnie Harris – marnie.harris@ecu.edu.au as soon as possible if any concerns arise relating to the Pre-service Teacher’s progress or conduct.

A University Supervisor will be allocated to visit the school as required.

To meet the requirements of this Professional Experience, Pre-service Teachers are expected to:

- Complete the attendance requirements for the Professional Experience
- Achieve a satisfactory level of performance in the area of Professionalism

The Mentor Teacher/School Practice Coordinator is asked to record the Pre-service Teacher’s attendance and professionalism on the Final Evaluation and Overall Results Form. A link to complete the form online will be sent via email from the ECU Placements Office prior the commencement of the Professional Experience.

A Pre-service Teacher may be deemed to have met the requirements for Professionalism even though they may need to improve performance in some areas. Mentor Teachers are encouraged to indicate any particular areas of strength or weakness for feedback purposes.
