

HOLISTIC ASSESSMENT SHORT COURSE

TAKE YOUR NURSING SKILLS TO THE NEXT LEVEL!

FACILITATED BY ENDORSED NURSE PRACTITIONER HELENA HALTON, THIS 'HANDS ON' ONE DAY SHORT COURSE IS A MUST FOR NURSES WANTING TO DEVELOP THEIR ADVANCED PHYSICAL ASSESSMENT SKILLS.

The course will take place in our newly renovated demonstration wards at the ECU Joondalup campus, providing a simulated ward environment.

Course Overview

The School of Nursing and Midwifery's Holistic Assessment short course will take you through the purpose and process of conducting a systematic approach to physical assessment. By the end of the session, you will be able to perform an accurate and detailed clinical assessment. You will also learn how to ensure that the documentation accurately reflects the findings of the clinical assessment, and articulates assessment outcomes.

7.5 hours can contribute towards the Continuing Professional Development (CPD) of attendees.
