SOUTH WEST
25 AUGUST, 11AM–2PM

ecuworlready.com.au/openday

WELCOME TO OPEN DAY

At ECU we want our graduates to feel like they can take on the world – it's why we prepare them to be world ready.

Our Inside Out Open Day is your opportunity to explore the INSIDE of our university to see how we prepare students for the OUTSIDE world.

Check in to the Study Area Expo and talk to staff about courses you're thinking about. Ask them about course entry requirements and what it's really like to study at ECU – as an undergraduate (first degree) or postgraduate student.

Then go exploring to enjoy the entertainment, the food, and of course, our fantastic facilities.

And don't forget to enter our competition and scan your way around campus.

It's your chance to win your own little taste of the world!

IMPORTANT STUFF

WIFI

Select 'ECU-FREE-WI-FI'

HOW TO FIND A ROOM

Room numbers in this program indicate the building number, followed by the room number. Please use the grid reference on the map at the back of this program.

NEED HELP?

If you need help at any time, ask someone wearing an ECU-branded T-shirt.

For medical attention, St John First Aid services are on campus (map reference B6).

If you've lost or found something, please talk to the staff at any of our information booths.

APPLICATION STATION

Looking to start study in 2020? Start your application today, in Building 1.

ARCADE AND GAMING ZONE

Take a break and play some arcade classics thanks to Timezone outside Building 5. Free Timezone vouchers up for grabs!

ARTS AND HUMANITIES – SOCIAL WORKER FOR A DAY

All the information you need about our accredited Bachelor of Social Work course, and an opportunity to find out what social workers do in practice, in Building 5.

BUSINESS AND LAW – KNOW YOUR TALENT STACK

This is a hands-on session in Building 6 with real examples on how to "stack" your talents to position yourself for success! It also works when trying to choose a course or major in the School of Business and Law!

ENGINEERING – ADVENTURES IN ENGINEERING

Test your skills against the computer with motion sensors and accelerometers; and test your strength in our amazing new Engineering Fundamentals Lab in Building 2.

HIT92.9

Visit the hit92.9 Black Thunders at the ECU Inside Out Zone to chill out with some delicious popcorn and score some incredible instant prizes with our game of skill. Plus, you could even win a \$750 Flight Centre voucher! You'll find them at Kulbardi Court.

LIVE MUSIC

Overloaded with course information? Chill out and listen to some of the best acoustic live music at Kulbardi Court.

MEDICAL AND HEALTH SCIENCES – GUT HEALTH, FOOD BUDGETING AND MORE!

Learn how to optimise your gut health in Building 5.

MIND READING CAREER FINDER

Confused about what to study? Why not have a go at our always popular interactive mind reader and see if you can predict your future career? This activity can be found in Building 6.

NURSING AND MIDWIFERY – SIMULATED SOUNDS

Monitor heart and breath sounds in our new HiFi Demo ward in Building 2.

SCIENCE – HANDS-ON CHEMISTRY ACTIVITIES

Build molecules, use polymers and metals with amazing properties and discover experiments you can do at home, in Building 2.

TEACHER EDUCATION – INFORMATION SESSION

Ever wondered if becoming a teacher might be the right career choice for you? ECU hosts the largest and most popular School of Education in Western Australia, so our Teacher Education Course Information Session in Building 5 is the one-stop-shop for anyone interested in a career as an educator.

WIN A TRIP FOR 2

TO LONDON, NEW YORK OR SAN FRANCISCO

To enter, simply complete an online registration form at a competition checkpoint. For details including terms & conditions visit ecuworldready.com.au/openday

INFORMATION & STUDENT SERVICES

CAREERS AND EMPLOYABILITY SERVICES

If you're not sure where you want your study to take you, you can talk to our Careers & Employability team. They'll also show you how ECU's volunteering, mentoring and leadership programs can help you get the skills you'll need to navigate the job market.

The Careers and Employability team are located in the Study Area Expo, Building 6.

STUDY OVERSEAS

ECU has more than 90 exchange partners in 35 countries.

You can add a global edge to your ECU degree by studying some of your course in another country. Studying overseas gives you the chance to travel while gaining academic credit towards your degree. Immerse yourself in a new culture, develop lasting friendships and enhance your employability.

See the "Study Overseas with ECU" team in the Study Area Expo, Building 6.

STUDENT SUCCESS

The Student Success team assists students to stay on track with their studies and to succeed at university. This includes:

- supporting your study progress, health and wellbeing
- assessing personal challenges and developing action plans to overcome them
- providing referrals to specialist support services within or outside ECU
- understanding expectations of you if you are a Student Visa holder

STUDENT COUNSELLING SERVICE

ECU offers a free and confidential service providing professional, short-term counselling for personal, psychological and study-related difficulties.

STUDENT EQUITY, DIVERSITY AND DISABILITY SERVICES

We support students with a permanent or temporary disability and/or medical condition which may affect their life at ECU. The service also caters for students who are carers for a family member with a disability or medical condition.

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

Kurongkurl Katitjin is ECU's Centre for Indigenous Australian Education and Research and a hub for Aboriginal and Torres Strait Islander student support, activities and programs. Meet the team in the Study Area Expo, Building 6.

STUDENT HEALTH SERVICE

The Student Health Services provide confidential General Practitioner (GP), Nurse and Allied Health services to assist you with your health care needs, so that you can concentrate on achieving the best possible academic performance.

To find out more, visit the Student Success Services team in the Study Area Expo, Building 6.

LIBRARY SERVICES

Our South West Library will run guided tours every hour at 11.30, 12.30 and 1.30. The tour includes a quick introduction to the Library's collection, services and facilities. Tours last approximately 10 minutes. All tours start in the Library (Building 3).

ECU VILLAGE STUDENT HOUSING

Campus Living Villages (CLV) is a global university accommodation supplier, specialising in exciting and supportive student residential experiences.

All three ECU campuses offer excellent student accommodation. It's a great way to build a diverse network of friends from all over the world. Applications for accommodation can be made at any time. Prices at all Villages include all fees, making it easy to budget for, and with no hidden surprises.

Note: On-campus accommodation is limited and places fill up fast. Please visit mystudentvillage.com to select your Village accommodation and complete an application.

At Open Day, CLV staff will conduct tours of the facilities at 12pm and 1pm (on request). Meet at their stall by Building 3.

FOOD AND REFRESHMENTS

Overloaded with great course information and need a break to get you through? During the day, there'll be food trucks on campus serving scrumptious food.

ECU was named in the Times Higher Education (THE) Young University Rankings for 2019. Recognising the world's top 150 universities less than 50 years of age, the rankings are a global showcase of a new breed of university. ECU is proud to be recognised for its research productivity, research influence, quality of teaching, industry innovation and international focus.

For the fourth year in a row, ECU has been ranked the top public university in Australia for teaching quality in the QILT (Quality Indicators for Learning and Teaching) survey released in 2019. We were also the top public university in Australia for skills development and, on a two year aggregate, the top for overall educational experience.

ECU is committed to reconciliation and recognises and respects the significance of Aboriginal and Torres Strait Islander peoples' communities, cultures and histories. ECU acknowledges and respects the Aboriginal and Torres Strait Islander peoples, as the traditional custodians of the land. ECU acknowledges and respects its continuing association with Nyoongar people, the traditional custodians of the land upon which its campuses stand.

GREENING ECU: Edith Cowan University is committed to reducing the environmental impact associated with its operations by conducting its activities in a socially and environmentally responsible manner. This includes implementing strategies and technologies that minimise waste of resources and demonstrate environmentally sensitive development, innovation and continuous improvement.

EVENTS

TEACHER EDUCATION

GENERAL

Teacher Education Information Desk: General Teacher Education information. Teacher Education staff will be available to answer individual enquiries all day.

All Day
Study Area Expo (Building 6)
MAP REF: E3

Education Display: What does being a teacher really look like? Drop in to see a range of interactive displays from various subject areas in the School of Education.

12:00pm – 2:00pm
Building 5, Room 5.133
MAP REF: B5

Teacher Education – Course Information Session: Always wondered if becoming a teacher might be the right career choice for you? ECU hosts the largest and most popular School of Education in Western Australia, so our annual Teacher Education Course Information Session is the one-stop-shop for anyone interested in a career as an educator. Come along and find out everything you've ever wondered about the path to becoming a teacher. You'll hear from our lecturing staff and current students and find out about all the courses ECU offers, both for school leavers, mature age students and even postgraduate options. A Question and Answer session at the end will give you the chance to approach our experts with your burning questions about life as a teacher. This session will give information on our courses in Early Childhood Studies, Primary Education and Secondary Education.

1:00pm – 1:45pm
