made here.

When

Appointments are available on Fridays during the university trimester (February - November)

Where

Joondalup Community Clinical School, located at Joondalup Health Campus

(enter through Joondalup Private Hospital - ground floor)

Online appointments are also available

Please note

As the consultations are run by student dietitians, we cannot accept clients who have acute or complex medical conditions requiring specialised dietetic management (e.g. renal failure, liver disease or eating disorders).

Participation in this clinic not only benefits you but also contributes to the development of the future healthcare workforce.
