Costume Elegies | 2022

Costume Elegies by **Jody QUACKENBUSH** is an exhibition of photographic prints and textile remnants. The works, created over the last seven years, are what the artist calls 'visual elegies' of deceased famed and, in some cases, largely forgotten women. Among them were artists, early settler botanists, and asylum patients.

All photographs in the exhibition were created in collaboration with **Juliet DUVAL**, **Miles NOEL** and **Michelle LUCKING**
