

Down the Rabbit Hole|2021

Image: Shana James, *Falling Into Place* (detail), (2021), charcoal and pastel on organza fabric, dimensions variable

Down the Rabbit Hole showcases creative works by **Shana JAMES**, examining Alice in Wonderland by Lewis Carroll as not just a story for children, but as a story with layers of meaning. Using images and symbols she investigates ideas concerning decision making, choices and self-actualisation. To be opened by Dr Nicola Kaye.
