

ECU Oriental Ecological Wisdom and Art Innovation Workshop in China

For two weeks, immerse yourself in a vibrant cultural experience that spans the dynamic fields of Visual Arts, Design, Media, and Communications. This tour offers a unique blend of academic enrichment and cultural exploration, starting with a stay at the bustling Jinhua campus followed by a homestay with a local family in Suichang.

Students will participate in "Oriental Ecological Wisdom and Art Innovation Workshop" launched by our host Zhejiang Normal University (ZJNU). Engage in hands-on projects while gaining interdisciplinary insights into rural development through innovative and artistic design approaches.

With all transfers and accommodations covered by ZJNU, you can focus on soaking up the rich cultural heritage and innovative spirit of China.

Students can get 15 credits through unit SAH2100. Speak to the Student Hub to see how this, or an alternative, would best fit into your Course Plan.
