ECU HONORARY AWARDS: CALL FOR NOMINATIONS

Dear Colleagues

The ECU Council is seeking nominations of distinguished and high-achieving community members to be considered for an ECU honorary award.

Honorary Awards are a way in which the University acknowledges and honours outstanding or significant personal achievements, and outstanding or significant contributions to society or to the University.

This important form of recognition includes Honorary Degrees and the Title of Fellow of the University.

When considering a potential nominee, Nominators are encouraged to think broadly and creatively, to consider the University's commitment to equity, diversity, and inclusion, and to ensure alignment with the University's values and strategic objectives.

Nominators are asked not to discuss the matter with the nominee, as this may create an expectation which, in the final outcome, may not be fulfilled.

Nomination form: Available at <https://www.ecu.edu.au/centres/strategic-and-governance-services/our-services/honorary-awards>

Nominations submission deadline: 12noon on **Wednesday 23 April 2025**

Enquiries: University Governance, Strategic and Governance Services Centre,
universitygovernance@ecu.edu.au

For further information on the criteria and eligibility of nominees, please refer to the University Policy, [Honorary Awards](#).

Nominations will be considered by the Honorary Awards Committee, and the Committee's recommendations will then be forwarded to University Council for consideration and approval.

Sincerely,

Ms Gaye McMath
Chancellor
