

# Innovative Design Revitalisation in China!

**Embark on a journey to China with Zhejiang Normal University!**

For two weeks, immerse yourself in a vibrant cultural experience that spans the dynamic fields of Visual Arts, Design, Media, and Communications. This tour offers a unique blend of academic enrichment and cultural exploration, starting with a stay at the bustling Jinhua campus followed by a homestay with a local family in the Gaobi Street Village.

Students will participate in "Global Art and Rural Construction Innovation Design Talent Workshop" launched by our host ZJNU. Engage in hands-on projects that not only enhance your skills but also allow you to make meaningful connections with local communities. With all transfers and accommodations covered by ZJNU, you can focus on soaking up the rich cultural heritage and innovative spirit of China.

Students can get 15 credits through unit SAH2100. Speak to the Student Hub to see how this, or an alternative, would best fit into your Course Plan.
