STEP 1.

Tap your Student Card against the Kiosk's 'card reader'.

STEP 2.

Your balance should be displayed. Select 'Add funds via EFTPOS'.

STEP 3.

Enter the amount of credit you want to load.

STEP 4.

Tap, swipe, or insert your EFTPOS debit or credit card.

Tap contactless card

Swipe magnetic stripe card

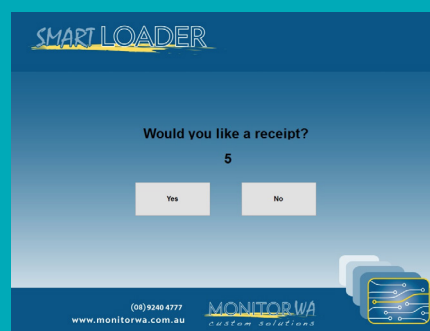

Insert chip card

Select your account, type your PIN, then press 'Enter'.

STEP 5.

When prompted, press 'ok'. Then choose whether or not you'd like a receipt. (If yes, the receipt will print out below the screen.)

STEP 6.

You're finished! The kiosk logs out automatically once you've pressed Yes or No in Step 5.
