

PPA3260 GUIDELINES FOR PLANNING – SEMESTER 2, 2019

Pre-service Teachers are required to prepare all relevant documentation according to the guidelines and due dates provided below. Planning documents should be flexible working documents, the purpose of which is to underpin sound teaching which meets the needs of all students.

The Professional Practice File should indicate a professional attitude as well as evidence of thoughtful and thorough organisation and preparation. Mentor Teachers should monitor Professional Practice Files to ensure that the appropriate level of detail and standard of presentation is maintained.

| PROFESSIONAL PRACTICE FILE and DOCUMENTATION | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> Documentation should be available at all times for reviewing by Mentor Teachers, University Supervisors and School Practice Coordinators. Professional Practice Files should demonstrate a high level of organisation and a high standard of presentation of all documents. Documents should be word processed, where possible, or written neatly and legibly. | |
