## Parking at ECU

Staff, students and visitors need to have a permit or ticket to park on campus.

### Permits

Permits may be allocated for a semester, two semesters or on a temporary basis. Guest permits can also be purchased. For all permit information, including how to order online, go to: [www.ecu.edu.au/fas/sts](http://www.ecu.edu.au/fas/sts)

### Helpful Tips

- A vehicle must display the appropriate parking permit on the bottom left hand passenger corner of the windscreen, so the permit number can be validated.
- Enrolled students and staff who hold a current parking permit may obtain a temporary parking permit free of charge if their normal vehicle is unavailable.
- Parking permits are available from the campus cashier on presentation of a completed application form and payment of the appropriate fee.

You can order your parking permit on-line. Purchasing of parking permits on-line is available to staff and students for credit card payments only. To order, go to <http://eshop.ecu.edu.au>. Place receipt on dash until permit received.

Application forms are available from Student Central or from [www.ecu.edu.au/fas/sts/forms.php](http://www.ecu.edu.au/fas/sts/forms.php).

- ECU doesn't guarantee that a parking area will be available when required by a permit holder, nor does it guarantee location proximity.
- A note on the dashboard is not acceptable in place of a permit.
- Forged permits are considered a serious offence and may impact on employment or enrolment status.
