PROFESSIONAL SUMMARY

I am an impact-oriented scholar at Senior Lecturer level in ECU's School of Business and Law, where I also lead the MBA portfolio. My interdisciplinary research in economic security, geoeconomics and international business combines high-quality academic publication with sustained translation into government, industry and public impact. I have established national standing and growing international recognition through A-ranked publications, policy research, invited keynotes, senior government–industry engagement and a Non-Resident Fellowship at the United States Studies Centre. In 2025, I ranked first across ECU for media impact, generating US\$13.8 million in earned media value. My academic leadership encompasses curriculum innovation, postgraduate program stewardship, transnational teaching, researcher development and scholarly infrastructure, demonstrating sustained leadership, innovation and mentorship.

University of Auckland: *Tutor, undergraduate | 2015–2019 for two units*

PROFESSIONAL SERVICE

Summary:

My service contribution demonstrates sustained Level D leadership, innovation and mentorship across academic governance, course and portfolio management, curriculum renewal, staff development and external engagement. I provide strategic and operational leadership for a major postgraduate portfolio, lead cross-School program development and quality assurance, and contribute to institutional

curriculum governance. My earlier roles also demonstrate disciplinary and organisational leadership through research networks, postgraduate coordination, editorial management and scholarly events.

MBA Director, School of Business and Law, Edith Cowan University | 2024–present

- **Provide strategic and operational leadership for ECU's MBA portfolio**, comprising three MBA programs and six nested postgraduate qualifications that generated more than **\$14 million** in gross revenue in 2025 and represent a significant component of School income.
- **Oversee the academic experience and progression of more than 200 postgraduate students**, including admissions assessment, advanced-standing decisions, complex student-case management and targeted support for students experiencing barriers to progression.
- **Lead and support multidisciplinary teaching teams**, including recruitment and induction of sessional staff, allocation of teaching responsibilities and maintenance of consistent academic and assessment standards.
- **Mentor new and continuing academic staff in academic integrity, assessment quality and effective postgraduate teaching**, strengthening staff capability.
- **Coordinate collaboratively across School disciplines and professional services**, ensuring coherent delivery of shared MBA units.
- **Represent the MBA portfolio in internal and external forums**, engaging senior University leaders, academic colleagues, industry stakeholders and external partners.

Major Course Redevelopment, MBA Global, Edith Cowan University | 2024–2025

- **Initiated and led a major review and redevelopment of the MBA International**, repositioning the course as the MBA Global in response to market analysis, curriculum review findings and changing international business conditions.
- **Developed a coherent course-level theme centred on globally relevant business challenges**, strengthening differentiation, curriculum integration and the program's contemporary relevance.
- **Led academic change management across the School**, securing engagement and support from senior academic staff and coordinating contributions across multiple disciplinary areas.
- **Directed the development of two new postgraduate units and the retirement of two existing units**, ensuring that course architecture, content and learning outcomes reflected the revised strategic direction.
- **Translated formal review findings into an implemented course-improvement plan**, demonstrating leadership of evidence-informed curriculum renewal rather than participation in routine course maintenance.

Development of a New Postgraduate Program: MBA Education Leadership, ECU 2025–2026

- **Lead the development of a new interdisciplinary MBA Education Leadership program**, planned for first delivery in Semester 1, 2027.
- **Established a cross-School partnership with the School of Education**, bringing together business administration and education-leadership expertise in a coherent postgraduate offering.
- **Directed development across the full course-design cycle**, including market assessment, course structure, unit selection, learning outcomes, admission settings and positioning of the proposed program.
- **Coordinated assurance-of-learning and academic-quality requirements**, ensuring compatibility with the broader MBA architecture and applicable postgraduate standards.

- **Engaged academic and professional stakeholders to build institutional support**, clarify responsibilities and progress the program through formal approval and implementation processes.
- **Developed a new postgraduate product responding to an identifiable professional market**, contributing to curriculum innovation, portfolio diversification and future School growth.

School Curriculum, Teaching and Learning Committee, Edith Cowan University | 2024–present

- **Contribute to School-level academic governance** through critical review of new and revised courses, units and curriculum proposals.
- **Represent the MBA portfolio in curriculum deliberations**, articulating its strategic direction, academic standards, development priorities and relationship to broader School and University initiatives.
- **Contribute postgraduate and course-leadership expertise to committee decision-making**, including matters concerning curriculum coherence, assessment, accreditation, student outcomes and program sustainability.
- **Support a culture of collegial academic governance**, working across disciplinary boundaries to strengthen the quality and consistency of School curricula.

MBA Course Consultative Committee, Edith Cowan University | 2024–present

- **Lead engagement with senior industry** representatives to obtain structured external advice on MBA curriculum, graduate capabilities and emerging workforce needs.
- **Translate industry feedback into course-development priorities**, ensuring that MBA content, assessment and learning experiences remain professionally relevant and responsive.
- **Strengthen relationships between ECU and business leaders**, supporting guest engagement, industry-informed teaching, course advocacy and potential partnership opportunities.
- **Use the committee as a formal mechanism for external validation and continuous improvement**, connecting stakeholder input with academic governance and assurance-of-learning processes.

University of Adelaide Service Roles, 2019-2022

Policy and Engagement Managing Editor, University of Adelaide | 2019–2022

- **Provided editorial and strategic leadership for the University of Adelaide Institute for International Trade’s (IIT) policy-publication portfolio**, overseeing production of 90 opinion articles, 19 policy briefs and 12 working papers.

Postgraduate Coordinator, University of Adelaide | 2021–2022

- **Coordinated academic administration and student support across the Institute’s postgraduate programs.**

Seminar Coordinator, Institute for International Trade, University of Adelaide | 2020–2021

- **Established and coordinated a monthly seminar program** creating opportunities for researchers and postgraduate students to engage with external experts.
